

Hike for the Jordan Valley

Join the Auja Eco Center for a hike in Wadi Jaheer – an unknown area where the local Bedouins come to water their flocks. It is considered to be one of the best walks in Palestine to observe bird and wildlife.

Enjoy the morning surroundings, the silence and learn about environmental issues as we pass water scarce areas with an experienced eco guide

13th - 14th of December 18:00 from Bethlehem

Dec. 13th	Dec. 14th
