Dear Munqeth:

I would like to extend my sincere thanks to you and the entire team at EcoPeace for your warm hospitality during the visit of the U.S. delegation led by the State Department's Bureau of Oceans and International Environmental and Scientific Affairs Acting Deputy Assistant Secretary Barton J. Putney on February 12.

Our visiting delegation was thrilled to experience the SHE Park, learn more about the wonderful work your organization is doing to support regional cooperation, and we are grateful for the opportunity to engage with you and your colleagues during our visit. EcoPeace is a unique organization that we are proud to call a partner, and we look forward to our continued cooperation in the future.

Sincerely,
