

FULL TIME POSITION - TEL AVIV

Advocacy Coordinator – Focusing on Renewable Energy

EcoPeace Middle East is a unique Israeli, Jordanian and Palestinian organization that advances cooperative efforts to protect our shared environment and create the conditions for sustainable development and peace in our region.

ROLE SUMMARY AND KEY RESPONSIBILITIES:

We are seeking an Advocacy Coordinator with a strong passion for renewable energy to join our team. In this role, you will be responsible for coordinating and executing our advocacy efforts related to renewable energy policies and initiatives. The ideal candidate will have experience working in the renewable energy industry, with a strong understanding of policy, regulatory, and market issues.

MAIN TASKS AND ACTIVITIES:

- Develop and implement advocacy strategies to support renewable energy policy and regulatory objectives.
- Monitor and analyze policy and regulatory developments related to renewable energy.
- Build and maintain relationships with key stakeholders, including policymakers, regulators, and industry representatives.
- Coordinate and execute campaigns and initiatives to support renewable energy policy and regulatory objectives.
- Conduct research and analysis to support advocacy efforts.
- Provide guidance and support to internal teams on renewable energy policy and regulatory issues.
- Prepare and deliver presentations, reports, and other materials to educate stakeholders on renewable energy policy and regulatory issues.
- Assist the Department Manager on routine tasks.
